Trennwandsysteme

Stylish and elegant partitioning.

BEFORE WE
EXPECT TRUST FROM
OUR CUSTOMERS,
WE PROVIDE EVIDENCE
that's us!

ENVIRONMENT & SUSTAINABILITY
that's us!

Sustainable management and careful use of resources are a matter of course for us and part of our corporate philosophy. This basic idea is consistently integrated and lived in our work processes. We are proud to be the first certified manufacturer of partition systems and lockers in Germany to operate according to the FSC™ and PEFC guidelines.

PEFC - registered

We pay attention to a sustainable supply chain in which our products are procured under ecological, economic and socially just aspects.

FSC™ - certified

As the first certified manufacturer in the area of partition systems and lockers in Germany, we make an active contribution to the protection of our earth with this future-oriented procurement method. We supply almost our entire range from sustainable wood in accordance with the specifications of the FSC™.

On request
the products are
available with
FSC™ certification

TÜV NORD GS TESTED SAFETY
that's us!

Tested and certified by TÜV NORD these products meet the requirements of the Product Safety Act ProdSG § 21 Registration No. 44 329 14148808.

MADE IN GERMANY
that's us!

Our products are manufactured for you at the company site in Horhausen, Rhineland-Palatinate. This is the only way we can guarantee the high quality standards we set for our products.

PREQUALIFIED
that's us!

We are registered in the list of prequalified construction companies with the number 010.049740, proving that we are qualified for the products and services we offer.

INNOVATIVE & DESIGN-ORIENTED
that's us!

With our design-oriented and innovative products, we convince not only our customers, but also national and international committees.

The economic solution for dry rooms.

The Schäfer cubicle system type SV30 made of melamine resin coated chipboard is the right choice if a stable and easy-care system type in basic design is required. It is the ideal toilet partition wall system for dry sanitary areas.

Interesting facts about SV30

WC partition walls made of 30 mm thick chipboard

- A stable and easy-care partition wall
- Suitable for dry rooms
- ABS strips in the same colour as the panels
- Easy to clean and maintenance construction
- Large variety of decors and colours
- System will be produced acc. to the building site dimension

Privacy screens

- Wall-mounted privacy screens
- Made of 30 mm thick chipboard
- ABS strips and panels in the same colour
- Installed with durable aluminium holders
- Wall-mounted structures without bottom support feet are particularly hygienic, since floor cleaning can then be faster and more efficient
- Wide range of colors available
- Motif prints are optionally available
- Privacy screens will be produced acc. to the building site dimension

Features type SV30

Supports:

- Stainless steel supports, height-adjustable

- Aluminium supports, height-adjustable, price neutral

Hinges:

- Stainless steel hinge with high-performance polymer
- Treads guarantee absolute freedom from maintenance
- The doors can be shut quietly

- Stainless steel rising hinge
- Doors with self-closing hinges are optional available
